

Kizuna Across Cultures (KAC) is now accepting applications for GLOBAL CLASSMATES, their online language and cultural exchange program for high school students!

Move beyond the textbook and provide an opportunity for your students to practically learn English in a fun and exciting way!

Cofounded by several JET alums and their Japanese friends, KAC has connected over 3,500 high school students in Japan and the U.S. through their **6-month (Sept – Feb) online cultural and language exchange** program, *Global Classmates*. **Using both languages, students exchange messages, photos and videos** on a secure and monitored Facebook-like platform. The program is free of charge.

Applications for the 2016-2017 Global Classmates program are being accepted until MARCH 31st. For an application, email Shanti Shoji at Sshoji@KACultures.org.

As schools in Japan tend to need time to receive the “ok” from their administration to apply, be sure to get in touch with us right away!

You can find more information on the organization and program at www.KACultures.org and at “Kizuna Across Cultures” on Facebook (“like” them to follow all the cool things they are doing!).
